SPRING VALLEY PUBLIC LIBRARY

Spring Valley Public Library

BY JENNY SIMON

The Friends of the Spring Valley Public Library is officially established as a 501(c)3. The library is very excited about the things that are to come with this new additional support and assistance. There will be a kickoff meeting scheduled and posted in the very near future. This is open to anyone who wants to know more, share ideas, and be a part of the group in any capacity. If you are interested in being involved or even just receiving emails about what is going on and where help is needed, please email Friendssvpl@gmail.com. The Board members include Sarah Hansen-President, Judy Nelson-Secretary, Joe Freet-Treasurer, and members Heather Dale, Loel Wessel, and Sally Broadwater.

We have another interactive exhibit coming from MN Pollution Control Agency/State Library Services the first week of April called “Save Your Food!” It’s about how to waste less food by storing it properly. There will be a small refrigerator and imitation foods to scan to tell about the best way to store them.

Doug Ohman will be joining us on March 29th at 5:30 pm with his program “Saving History.” Doug will share his experiences, photos and actual relics that will bring local history to life. These items were found using his metal detector and documented in pictures. It will be fun to see what he has discovered.

Willomina Art Studios will be offering “Pet Portrait Painting” for patrons on April 27th at 5:00 pm. Willow will draw your pet on a 16 x 20 canvas (with a picture provided by you at least one week ahead of time) and guide you through a step-by-step class using fun and vibrant colors while you paint your pet. Spots are limited and open to those 10 years of age and older. Call the library to register (507-346- 2100.)

This project and the Doug Ohman program have been funded by the people of Minnesota through the Arts and Cultural Heritage Library Legacy Fund, in cooperation with SELCO – our regional library system.

We are looking forward to spring and getting our Kiwanis sponsored picnic table ordered and out on the lawn!
