

Cratebox Derby Regulations

- Prefer all drivers or a representative attend the Drivers Meeting at 9:45 on race day
- Helmets are required for racing and return to the top of the hill
 - ATV helmet with chin coverage recommended – Not a bicycle helmet
- Racers 15 years old and under need 1 adult to help them on top of the race hill for the entire race day
- Racing bracket will be posted, please pay attention to this when your age group is racing
- If you build/bring your own car, you race your car. If borrowing derby cars, volunteers will organize car line up and placement on the ramp. This means you might not race the same car each time. Racing bracket will be posted, please pay attention to this when your age group is racing
- All cars must pass inspection before racing
- One person per car, no passengers
- No two wheeled vehicles or bicycles allowed
- No method of propulsion can be used
- No improvements to car on ramp will be allowed
- Unsportsmanlike or unsafe racing, as determined by Derby officials, will result in immediate disqualification
- Unsafe vehicles may be disqualified at the discretion of Derby officials
- Rules are subject to change at the discretion of Derby officials
